- For the 2025-26 fiscal, **ADB has projected India's growth at 7.2 percent.**
- The growth estimates for the current fiscal is lower than 7.6 percent estimated GDP expansion in 2022-23 fiscal.
- In December 2023, ADB had projected the Indian economy to expand by 6.7 percent in the 2024-25 fiscal.

Moody's projects India's GDP growth at 6.1% in 2024-25

- **Moody's Analytics** has projected a slight uptick in the **Indian economy's growth for calendar year 2024 to 6.1 per cent from 6 per cent** in March this year.
- India's Gross Domestic Product (GDP) to grow 6.1 per cent in 2024 after 7.7 per cent last year.
- Earlier this month, the Reserve Bank of India (RBI) stated that uncertainties in food prices continue to influence the inflation outlook. It maintained its retail inflation projection for the current fiscal year 2024-25 at 4.5 per cent.

UNCTAD forecasts India's GDP growth at 6.5% in 2024

- In a recent report by the **United Nations Conference on Trade and Development (UNCTAD)**, **India's economy is forecasted to grow at a rate of 6.5 percent in 2024.**
- This projection follows a growth of 6.7 percent in 2023, indicating a continued upward trend. The report highlights India's position as the fastest-growing major economy globally.
- According to the UNCTAD report, multinational companies are expanding their manufacturing operations in India to enhance their supply chain diversification.
- This move is expected to bolster Indian exports, contributing positively to economic growth. The growth observed in 2023 was attributed to robust public capital investment and expansion in the service sector.
- The Reserve Bank of India (RBI) has set a slightly higher estimate, projecting a 7 percent growth rate for the current financial year 2024-25.

IMF Raises India's GDP Growth Projection to 6.8% for FY 2024-25

- The **International Monetary Fund (IMF)** has raised **India's growth forecast for 2024-25 to 6.8% from 6.5%** on the back of strong domestic demand and a rising working-age population.
- The Reserve Bank of India, the country's central bank, estimates the economy to grow at 7% in the current financial year that started on April 1.

- The IMF estimates Asia's third-largest economy's gross domestic product to grow at 6.5% in the next financial year.

Chapter 12: Current Affairs (National)

NTPC permanently closed Barauni Stage-I project

- State-owned power giant NTPC has permanently closed its **Barauni Thermal Power Station Stage-I** of 220 MW.
- The company acquired Barauni Thermal Power Station (720 MW) in Begusarai district, Bihar, from Bihar State Power Generation Company on December 15, 2018.
- Established in 1975, NTPC aims to become a 130 GW firm by 2032.
- Operation of NTPC Barauni Thermal Power Station Stage-I (2x110 MW) comprising of two Units (Unit 6 & 7) of 110 MW each (along with all Auxiliary systems except CHP, Switchyard, Ash Dyke and Township) shall be permanently discontinued w.e.f. 31st March 2024.

Vedanta's BALCO, first Indian company to be certified with ASI Performance Standard

- Chhattisgarh-based Bharat Aluminium Company Limited (BALCO), a unit of Vedanta Aluminium, has emerged as the **first Indian company** to achieve the Aluminium Stewardship Initiative (ASI) Performance Standard V3 Certification for the manufacture and supply of a wide range of primary aluminium products at its facility in Korba.
- It aims to address sustainability areas in the aluminium value chain, such as biodiversity, indigenous peoples' rights, circularity and greenhouse gas emissions. The independent, third-party audit of Balco was carried out by CETIZION Verifica.
- The ASI Certification program was developed through an extensive multi-stakeholder consultation process and is the only comprehensive voluntary sustainability standard initiative for the global aluminium value chain.
- The ASI Performance Standard V3 defines 11 principles and 62 criteria under three sustainability pillars — Environment, Social, and Governance.

Defence exports touch record Rs 21,083 crore in FY 2023-24

- Defence exports have touched a record Rs 21,083 crore (approx. US\$ 2.63 Billion) in the Financial Year (FY) 2023-24, a growth of 32.5% over the last fiscal when the figure was Rs 15,920 crore.
- The recent figures indicate that the defence exports have grown by 31 times in the last 10 years as compared to FY 2013-14.
- The defence Industry, including the private sector and Defence Public Sector Undertakings (DPSUs), have made tremendous efforts in achieving the highest-ever defence exports.

- The private sector and the DPSUs have contributed about 60% and 40% respectively.
- A comparative data of two decades i.e. the period from 2004-05 to 2013-14 and 2014-15 to 2023-24 reveals that there has been a growth of 21 times in the defence exports.
- Total defence exports during 2004-05 to 2013-14 were Rs 4,312 crore, which has gone up to Rs 88,319 crore in the period from 2014-15 to 2023-24.

Govt raised Rs 16,507 crore via public sector enterprises disinvestment in FY'24

- The government has garnered Rs 16,507 crore by selling minority stake in state-owned companies in 2023-24 fiscal, lower than what was projected in its revised estimates.
- During the 2023-24 fiscal, which ended March 31, the government sold stakes in 10 central public sector enterprises (CPSEs) through offer for sale (OFS).
- Share sale in Coal India fetched Rs 4,186 crore, while in NHPC and NLC India it garnered Rs 2,488 crore and Rs 2,129 crore, respectively. The government raised Rs 858 crore through initial public offering of IREDA.
- The government also sold shares in RVNL, SJVN, IRCON International, HUDCO and earned remittances from SUUTI.

Adani Green Energy becomes first company in India to surpass 10,000 MW renewable energy capacity

- Adani Green Energy Limited (AGEL), India's largest and one of the world's leading renewable energy (RE) companies, has surpassed 10,000 megawatts (MW) of operational portfolio, delivering reliable, affordable, and clean power to the national grid.
- AGEL's operational portfolio consists of 7,393 MW solar, 1,401 MW wind and 2,140 MW wind-solar hybrid capacity.
- The milestone is a testament to AGEL and its development partners firmly moving towards the goal of 45,000 MW renewable energy by 2030.
- AGEL's 10,934 MW operational portfolio will power more than 5.8 million homes and avoid about 21 million tonnes of CO2 emissions annually.

India to build first commercial crude oil strategic storage

- India plans to build its first privately managed strategic petroleum reserve (SPR) by 2029-30, granting the operator the freedom to trade all of the stored oil.
- Allowing a fully commercial SPR mirrors the model adopted by countries such as Japan and South Korea, which allow private lessees, mostly oil majors, to trade the crude.
- So far, India has allowed only partial commercialization for its three existing SPRs in southern India, which have a combined capacity of 36.7 million barrels.
- India plans to build two new SPRs - the first a 18.3 million barrels cavern at Padur in southern Karnataka state, and then a 29.3 million barrels SPR in eastern Odisha state - with private partners allowed to trade all of the oil locally.

Power Finance pays Rs 2,033 crore interim dividend to Govt for FY24

- State-owned Power Finance Corporation (PFC) has paid a total dividend of ₹2,033 crore to the government for the financial year 2023-24.
- The company has paid the dividend in three instalments of Rs 554 crore, Rs 832 crore and Rs 647 crore.
- PFC pays the highest-ever interim dividend of ₹2,033 crore to the Government of India for the FY24.
- PFC has so far paid interim dividend amounting to ₹3,630 crore to its shareholders for the financial year 2023-24, the highest-ever interim dividend paid by the company.

India to stop importing urea by end of 2025

- According to the Union Minister for Chemicals and Fertilizers, Mansukh Mandaviya, **India will stop importing urea by the end of 2025** due to an increase in local production capacity with the commissioning of new fertilizer plants.
- India is a big importer of Urea and meets around 30% of its 35 million tonnes of annual urea requirement from imports.
- The urea production in the country increased from 225.08 lakh tonnes in 2014-15 to 284.95 lakh tonnes in 2022-23.
- **In 2022-23, the total import of Urea was 75.8 lakh tonnes**, which is around 30% of the domestic demand. The main sources of urea imports are Oman, Qatar, Saudi Arabia, and the UAE.

Syama Prasad Mookerjee Port registers record cargo handling in 2023-24

- In its 154-year history, **Syama Prasad Mookerjee Port (Kolkata)** including Kolkata Dock System (KDS) and Haldia Dock Complex (HDC), achieved a milestone in the **just-concluded financial year 2023-24 by handling 66.4 million tonnes of cargo**.
- It marked a 1.11 per cent increase from the previous record of 65.66 million tonnes moved in 2022-23.
- The complex handled 49.54 million tonne in 2023-24, marking its highest cargo volume ever since its inception and surpassing the previous record of 48.608 million tonne in 2022-23, representing an increase of 1.91 per cent.
- Meanwhile, Kolkata Dock System managed 16.856 million tonne of cargo in 2023-24 compared to 17.052 million tonne in 2022-23.
- The port's robust financial performance in 2023-24, achieving a net surplus of Rs 501.73 crores as well, a significant 65 per cent growth over the previous year's net surplus of Rs 304.07 crores, marking a remarkable accomplishment.

AGEL to invest ₹1.5 trillion in developing world's largest RE park in Khavda

- **Adani Green Energy Ltd** plans to **invest about ₹1.5 trillion through 2030** to develop the **world's largest renewable energy plant with 30-gigawatt capacity at the Khavda renewable energy park in Gujarat**.
- The project, part of the Adani Groups renewable energy flagship's plan to achieve 45 gigawatt (GW) installed renewable energy capacity in the country by 2030, will see 26 GW of solar and 4 GW of wind generation capacity coming up.

- Currently, AGEL has an operating renewable portfolio of 10.93 GW—7.39 GW solar, 1.4 GW wind, and 2.14 GW of hybrid—across 12 states.

Website 'Booth Raabta' launched by Punjab for election-related information

- **In Punjab**, under the unique initiative of the District Election Officer and Deputy Commissioner of Malerkotla, Dr. Pallavi, a **special website named 'Booth Raabta'** has been launched to provide election-related information to the people of the district.
- The website boothraabta.com will be helpful not only to the voters but also to the polling personnel in any circumstances.
- Deputy Election Commissioner of India Hirdesh Kumar and Punjab Chief Electoral Officer Sibin C appreciated this initiative.

Miraj's Sitars and Tanpuras awarded GI Tags

- The **sitars and tanpuras of Miraj**, a small town in **Maharashtra's Sangli district** known for its craftsmanship in making musical instruments, have been awarded the coveted **Geographical Indication (GI) tags**.
- These instruments made in Miraj are much in demand among some of the prominent artistes, including those renowned in the field of classical music as well as film industry, the makers claim.
- The tradition of making sitars and tanpuras in Miraj goes back more than 300 years, with over seven generations of craftsmen having worked towards making these string instruments.

FSSAI launches extensive Awareness & Sensitization Program Targeting Major Markets

- The **Food Safety and Standards Authority of India (FSSAI)** has launched an **extensive awareness and sensitization program** targeting major markets in the New Delhi.
- The awareness campaign will focus particularly on the detection and mitigation of pesticide residue and contaminants in food products.
- During the programme, the food business operators were sensitized about the importance of organic farming, raw material testing, ill effects of pesticide residues, artificial ripening and wax coating using unapproved chemicals.

India eyes 100 GW nuclear power by 2047: AEC

- India aims to **increase its nuclear power production to 1 lakh MW by 2047**, a significant jump from the current 8,000 MW.
- This goal was highlighted by Atomic Energy Commission Chairman A K Mohanty at the release of a report on energy transitions.
- He said the breeder reactors would contribute 3 GW of nuclear power, while 17.6 GW would come from light water reactors built with international cooperation and another 40-45 GW would come from the pressurized heavy water reactors.

India secures second overseas port: Sittwe agreement approved by MEA

- After Chabahar, India has **gained the rights to operate a second overseas port, Sittwe**, in Myanmar.

- The Ministry of External Affairs (MEA) has approved a proposal for India Ports Global (IPGL) to take over the operations of the entire port located on the Kaladan River.
- IPGL is a company 100 per cent owned by the Ministry of Ports, Shipping and Waterways.
- In the Indian Ocean, China and India are engaged in a struggle to expand their economic influence. Ports have become highly significant in this rivalry. China, in particular, has been aggressively seeking to acquire operating rights for numerous ports.

'Experimental Licence Module for 100 5G Labs' launched at IIT Madras

- In a move to smoothen the processes for **100 5G Labs across academic institutions in India**, one of the "**Experimental Licence module for 100 5G Labs**" was launched during a **5G workshop at IIT Madras**.
- This initiative aims to simplify the experimental licence requirements for these institutions, facilitating smoother operations and fostering innovation in the 5G domain.
- The primary objective behind this initiative is to cultivate competencies and engagement in 5G technologies among students and start-up communities.
- These labs will be using 5G frequency bands for carrying out various experiments.

GUJCOST designated as Nodal Centre for ISRO's START programme

- **The Gujarat Council on Science and Technology (GUJCOST)** has been designated as the **Nodal Centre for the 'Space Science and Technology Awareness Training (START) programme by the Indian Space Research Organization (ISRO)**.
- The START programme, a brainchild of ISRO, offers an introductory-level online training platform.
- Encompassing a vast spectrum of space science research areas, including planetary exploration, astronomy, heliophysics, atmospheric science, and microgravity research.
- Under the START programme, GUJCOST will host live classes, serving as the central hub for knowledge dissemination. Additionally, four Regional Science Centres located in Rajkot, Patan, Bhavnagar, and Bhuj will play a pivotal role in coordinating and facilitating the programme, thereby amplifying its reach across the region.

NTPC launches latest edition of Girl Child Empowerment Mission (GEM)

- **NTPC Limited** has launched a **new edition of its flagship corporate social responsibility initiative, Girl Child Empowerment Mission (GEM)**.
- This program aligns with the Beti Bachao, Beti Padhao (Save the Girl Child, Educate the Girl Child) campaign launched by the Government of India.
- GEM aims to nurture the imaginations of girls. And also, to eliminate gender inequality by promoting their ability to explore opportunities.
- Girl Child Empowerment Mission provides a platform for young girls for their all-round development through a month-long workshop during summer vacations.

Citroën becomes the first multinational carmaker to export EVs from India

- French carmaker Citroën became the **first multinational car manufacturer in India to export domestically made electric vehicles** to the international market.
- Initial shipment of **500 units of the Made-in-India Citroën ë-C3 to Indonesia** was ceremonially flagged from Kamarajar Port.
- The move aligned with Citroën's global ambitions of democratising electric mobility to increase the adoption of sustainable and clean modes of transportation.
- The ë-C3, crafted with modern design and innovation, offers a 320 km range certified by ARAI MIDC, along with 100 per cent DC Fast Charge and 15 AMP Home Charging options for convenience. It is available in 13 exterior colour combinations and 47 customisation options.

Defence Ministry issues 65,000cr tender to HAL for buying 97 LCA Mark 1A Fighter Jets

- The Defence Ministry has **issued a tender to the public sector firm Hindustan Aeronautics Limited** for purchasing made-in-India **97 LCA Mark 1A fighter jets expected to be worth over Rs 65,000 crore**.
- This is set to be the largest order for indigenous military hardware to be placed by the Indian government ever.
- The programme will help the IAF to replace its fleet of MiG- 21s, MiG-23s and MiG-27s which have been either phased out or are set to be phased out or are set to be phased out in near future.
- The last order for LCA Mark1A was for 83 aircraft and the first plane is poised to be delivered in a few weeks from now. LCA Mark 1A is the advanced version of Tejas aircraft.
- The LCA Mark 1A plane has more advanced avionics and radars than the initial 40 LCAs being supplied to the Air Force.
- The HAL is also set to bag deals for buying over 200 LCA Mark 2s and similar number of fifth generation Advanced Medium Combat Aircraft.

Swiggy launches 'Swiggy Pawlice' initiative for finding missing pets

- **Swiggy** has launched a new initiative '**Swiggy Pawlice**' for finding missing pet.
- This feature empowers pet parents to report a missing pet directly on the Swiggy app, harnessing the network of Swiggy's delivery partners as compassionate allies in the search efforts.
- Pet parents can report their missing pets directly through the Swiggy app, providing all necessary details and pictures.
- Swiggy's vast network of over 3.5 lakh delivery partners plays a crucial role in this initiative. If a delivery partner spots a missing pet, they simply need to inform a dedicated team at Swiggy, providing details and location.

Election Commission introduces Home Voting for elderly and Persons with Disabilities

- The **Election Commission of India (ECI)** has **introduced home voting for the first time in a Lok Sabha Election**.

- This initiative aims to make voting easier for elderly citizens and Persons with Disabilities (PwDs) during the 2024 Lok Sabha elections.
- Now, **voters above 85 years of age and PwDs with 40% benchmark disability can choose to vote from home.**
- Over 81 lakh voters are aged 85 or above, and there are more than 90 lakh registered PwD voters across the country.
- The process to avail this facility is simple. Eligible voters must complete Form 12D within five days of the election notification and submit it to the returning officer. PwD voters need to include a baseline disability certificate with their applications.

Coal production target set at 170 million tonnes for 2024-25

- **The government has set the target of producing 170 million tonnes of coal from captive and commercial coal blocks in the country during the 2024-25 financial year.**
- In FY24, captive and commercial coal blocks produced 147.12 million tonnes (MT) of dry fuel, 26 per cent higher from 116 MT produced in FY23.
- Out of the total output of 147.2 MT in FY24, power sector captive mines produced around 121.3 MT, captive mines of the non-power sector produced 8.4 MT while commercial mines generated 17.5 MT of fuel.
- The country's coal import rose to 244.27 MT in the April-February period of FY24 from 227.93 MT in the year-ago period, according to data compiled by B2B e-commerce company junction.

Indian Govt Gifts 35 Ambulances and 66 School Buses in Nepal

- **The India government gifted 35 ambulances and 66 school buses** to various organizations, spread across **different districts of Nepal**, and working in the field of health and education respectively.
- The keys of the vehicles were handed over by Naveen Srivastava, Ambassador of India to Nepal in the presence of Barsha Man Pun, Finance Minister, Government of Nepal.
- Out of the total 101 vehicles gifted, 2 ambulances were handed over on location in the earthquake-affected Jajarkot and West Rukum districts by the representative of the Embassy of India in the presence of district officials and local residents.
- Government of India has been gifting ambulances and school buses on the occasion of the Independence Day and the Republic Day of India for 3 decades to various beneficiary organisations in different parts of Nepal, giving high priority to Nepal's health and education sectors.

India's electronics exports increase 23.6% to \$29.12 billion in FY24

- **India exported electronics goods worth \$29.12 billion in 2023-24 (FY24)**, up 23.6 per cent compared to a year ago, even as the country's total exports contracted 3 per cent.
- According to commerce department officials, the top five export market of electronics good are — the US, United Arab Emirates, Netherland, United Kingdom, and Italy.
- During FY24, exports also ventured into new markets, such as Montenegro, Cayman Islands, El Salvador, Turkmenistan, Mongolia, Honduras and St Vincent.

IIT Madras launches India's 1st mobile medical devices calibration facility

- The Indian Institute of Technology (IIT) Madras has launched India's first medical devices calibration facility on wheels.
- The facility can calibrate up to 45 different life-saving medical devices including defibrillator analyser, electrical safety analyser, gas flow analyser, and dialysis reference meter.
- The calibration of medical devices on a regular basis is must to ensure accurate diagnosis and treatment of patients.
- This vehicle will go to the doorsteps of labs and calibrate life-saving medical equipment. The equipment will be tested in just a few hours.

IREDA to boost Green Hydrogen and Renewable Energy Manufacturing Projects

- Indian Renewable Energy Development Agency Ltd. (IREDA) has opened an office in GIFT City, Gandhinagar, which will specialize in providing debt options denominated in foreign currencies.
- This will facilitate natural hedging and significantly reduce the financing costs for Green Hydrogen and Renewable Energy Manufacturing projects.
- The strategic initiative which would contribute to the country's journey towards a greener future was highlighted by Chairperson & Managing Director of IREDA Shri Pradip Kumar Das, during a panel discussion on "Future Growth Opportunities for Long Duration Energy Storage", held at the World Future Energy Summit 2024 in Abu Dhabi.

Hindustan Zinc becomes 3rd largest silver producer globally

- Vedanta group firm Hindustan Zinc has become the third largest producer of silver globally.
- As per a survey, its Sindesar Khurd Mine in Rajasthan now stands as the world's second largest silver-producing mine, moving up from last year's fourth spot.
- Silver plays a pivotal role in the global energy transition and Hindustan Zinc's production growth of 5 per cent year-on-year is attributed to increased ore production and enhanced grades, reinforcing its status as a key player in the global silver market.

PM inaugurates 2550th Bhagwan Mahaveer Nirvan Mahotsav on occasion of Mahaveer Jayanti

- Prime Minister Narendra Modi has inaugurated the 2550th Bhagwan Mahaveer Nirvan Mahotsav on the occasion of Mahavir Jayanti at Bharat Mandapam in New Delhi.
- During the event, the PM released a commemorative stamp and coin to mark the occasion.
- Bhagwan Mahavir, the 24th Tirthankar, illuminated the path of peaceful co-existence and universal brotherhood through Jain principles like Ahimsa (Non-Violence), Satya (Truthfulness), Asteya (Non-Stealing), Brahmacharya (Chastity) and Aparigraha (Non-attachment).

Khasi Tribe's Seng Khihlang Festival Concluded in Meghalaya

- **The 34th Seng Khihlang festival** concluded in **Wahiajer, Meghalaya**.
- The Seng Khihlang festival holds immense significance for believers who follow the Khasi Indigenous Faith. It is a time of unity and celebration, and is under the stewardship of the Seng Khasi Sein Raij.
- The Khasi people are an indigenous ethnic group residing in the eastern part of Meghalaya, in the Khasi and Jaintia Hills of north-eastern India.

Rajasthan Royals Launch New Cricket Academy In Jaipur

- Royals Sports Group-owned IPL franchise **Rajasthan Royals (RR)** has inaugurated their **first-ever cricket academy in the Jaipur, Rajasthan**.
- The inaugural champions had announced its plans to come up with an Academy in Jaipur in October 2023.
- The newly set-up Academy boasts of impressive infrastructure with the presence of two match playing grounds and 15 training strips with Natural Turf, AstroTurf, Matting, and Kota stone wickets.

Reliance Jio emerges as World's largest mobile operator in data traffic

- **Reliance Jio become the world's largest mobile operator** in terms of data traffic, ahead of China Mobile.
- The total traffic on the Jio network has reached 40.9 Exabytes, which is a 35.2 percent year-on-year increase. Also, Jio has a very strong and wide subscriber base of 481.8 million.
- Jio has also become the first Indian company to cross the ₹100,000-crore threshold in pre-tax profits.
- The annual data traffic has dramatically increased by 2.4 times since the start of the COVID-19 pandemic, and the monthly per capita data usage has skyrocketed to 28.7 GB from just 13.3 GB three years ago.

DRDO develops lightest Bullet Proof Jacket of country for protection against highest threat Level

- A unit of the **Defence Research and Development Organisation (DRDO)** has successfully **developed the lightest bulletproof jacket in the country for protection against the highest threat level 6**.
- This jacket is based on a new design approach where novel material along with new processes has been used.
- DRDO's Defence Materials and Stores Research and Development Establishment (DMSRDE), Kanpur has successfully developed the lightest bulletproof jacket in the country for protection against 7.62 x 54 R API (level 6 of BIS 17051) ammunition.
- Recently, this bulletproof jacket was successfully tested at TBRL, Chandigarh as per BIS 17051-2018.

SJVN launched India's 1st Green Hydrogen Project in Himachal Pradesh

- **Satluj Jal Vidyut Nigam (SJVN)** has inaugurated **India's first multi-purpose green hydrogen pilot project at Nathpa Jhakri Hydro Power Station in Himachal Pradesh**.

- The project will produce hydrogen for the High Velocity Oxygen Fuel (HVOF) Coating Facility and generate 25 kW electricity.
- Aimed at advancing green hydrogen as a clean energy source, aligning with the National Green Hydrogen Mission.

India's services exports grow 11.4% in 2023: UNCTAD report

- **India's services exports jumped 11.4 per cent to USD 345 billion in 2023** despite global economic uncertainties, according to a UNCTAD report.
- While China's shipments from the sector contracted by 10.1 per cent to USD 381 billion.
- Sectors that contribute to India's services export growth include travel, transport, medical and hospitality.
- With an 8.9 per cent annual rise in current dollar value terms, the world services exports surpassed USD 7.9 trillion in 2023.

India's Ecommerce Market will be World's Third Largest by 2030

- **India's e-commerce landscape** is poised for a **monumental gain by 2030**, a report by investment promotion and facilitation agency Invest India has claimed.
- Forecasting a substantial surge to \$325 billion by 2030, the report added that the nation's digital economy is expected to reach an impressive \$800 billion by the same time.
- Currently valued at \$70 billion, India's online shopping makes up approximately 7 per cent of the country's total retail market, therefore presenting a huge opportunity for growth.

IREDA gets 'Navratna' status

- **Indian Renewable Energy Development Agency (IREDA)** was granted 'Navratna' status by the Department of Public Enterprises.
- A non-banking financial institution under the Ministry of New and Renewable Energy, IREDA is engaged in promoting, developing and extending financial assistance for setting up projects related to new and renewable sources of energy.
- The Indian government grants Navratna status to premier public sector undertakings (PSUs), empowering them to execute significant investments of up to ₹1,000 crore without requiring approval from the central authority.
- These firms are permitted to allocate up to 30 per cent of their net worth annually, provided it remains under ₹1,000 crore. Additionally, they have the option to participate in joint ventures, forge partnerships, and set up overseas subsidiaries.

Chapter 13: Current Affairs (International)

Japan launches e-Visa for Indian Tourists

- Japan has officially launched its e-Visa program for several countries, including India.

- This single-entry visa grants a validity of up to 90 days and is specifically designed for travellers planning to enter Japan by air and holding an ordinary passport.
- For individuals seeking short-term tourism in Japan, the process of obtaining a visa has been streamlined through the introduction of electronic visas (e-Visas) via the Japan e-Visa system.

Who is Eligible

- The following countries and regions are eligible: Australia, Brazil, Cambodia, Canada, Saudi Arabia, Singapore, South Africa, Taiwan, United Arab Emirates, United Kingdom, USA.
- The eligibility also extends to Indian citizens and foreign nationals residing in India.
- Residents of these countries or regions, excluding those exempt from short-term visas, can apply for an e-Visa via the Japan e-Visa website.

57 companies account for 80% of greenhouse gas emissions since 2016

- According to a report released by thinktank 'InfluenceMap'. Just 57 companies are responsible for 80% of the world's carbon emissions from fossil fuels and cement since 2016.
- These 57 companies are involved in the production of oil, gas, coal and cement in the world.
- Although governments pledged in Paris to cut greenhouse gases, the analysis reveals that most mega-producers increased their output of fossil fuels and related emissions in the seven years after that climate agreement, compared with the seven years before.
- In the database of 122 of the world's biggest historical climate polluters, the researchers found that 65% of state entities and 55% of private-sector companies had scaled up production.
- During this period, the biggest investor-owned contributor to emissions was ExxonMobil of the United States, which was linked to 3.6 gigatonnes of CO2 over seven years, or 1.4% of the global total. Close behind were Shell, BP, Chevron and Total Energies, each of which was associated with at least 1% of global emissions.

Zimbabwe launched new gold-backed currency to tackle inflation

- Zimbabwe's central bank has launched a new "structured currency" backed by gold to tackle sky-high inflation and stabilise the country's long-floundering economy.
- The new currency – called Zim Gold (ZiG) – will be backed by foreign currencies, gold and precious minerals, John Mushayavanhu, the governor of Zimbabwe's Reserve Bank.
- The move is aimed at fostering "simplicity, certainty, predictability" in Zimbabwe's financial affairs, and he also presented the new banknotes that come in eight denominations ranging from one to 200 ZiG.
- The new notes feature a drawing of gold ingots being minted, as well as Zimbabwe's famous Balancing Rocks, which already appeared on the old ones.

Iran launches operation 'True Promise' against Israel

- Iran has launched hundreds of drones and missiles against Israel.
- Iran's Revolutionary Guards have stated that **Operation 'True Promise'** is a response to Israeli actions and is part of their strategy to punish Israel for its perceived crimes.
- The attack was in response to the April 1 Israeli strike on the Iranian consulate in Damascus that killed seven IRGC members, including two generals in charge of leading operations in Syria and Lebanon, along with six other people.
- It was mainly aimed at strengthening Iran's deterrence, which critics said had been compromised after increasingly confrontational policies and military strikes by the United States and its allies across the region, especially following the January 2020 assassination of top general Qassem Soleimani in Iraq.

8 Indians named in Time's 100 Most Influential List 2024

- **Eight individuals of Indian descent**, including **Alia Bhatt, Ajay Banga, and Sakshi Malik**, have been honoured in **Time magazine's prestigious list of the 100 most influential people of 2024**.
- The list features a diverse array of leaders from various sectors, including finance, entertainment, technology, activism, and academia.
- The list includes politicians, business leaders, artists, icons, movie stars, athletes, and scientists who have made significant impact in their fields. The overall list contains four categories: Leaders, heroes, artists, and thinkers.
 1. Ajay Banga- President of the World Bank
 2. Alia Bhatt- Actor
 3. Sakshi Malik- Wrestler
 4. Dev Patel- Actor
 5. Priyamvada Natarajan- Professor in Astrophysics
 6. Asma Khan-Indian-born British restaurateur and cookbook author
 7. Jigar Shah-Director of the US Department of Energy's Loan Programs Office
 8. Satya Nadella- Executive chairman and CEO of Microsoft

Nigeria becomes first country to roll out new meningitis vaccine

- **Nigeria** has become **the first country in the world to roll out the "revolutionary" new Men5CV vaccine against meningitis**.
- Nigeria is one of the hotspots of the deadly disease in Africa.
- Last year, a 50% rise in annual cases was reported across 26 African countries regarded as meningitis hyperendemic countries, according to the WHO.
- Since 2010, Africa, which sees the highest burden of meningitis infection in the world, has been fighting outbreaks using the MenAfriVac vaccine.
- Although it has successfully eradicated about 80% of meningitis infections across the continent, the vaccine only protects against a single strain of the meningococcal bacteria, serogroup A.

A new species Clouded Tiger Cat found in Brazil's Rainforest

- **A new tiger species** has been recently discovered in the dense rainforests of Brazil.

- Named the **clouded tiger cat (Leopardus pardinoides)**, this cat may be small but it is significant for biodiversity and conservation.
- A small wildcat called the clouded tiger cat is about the same size as a housecat. It has a spotted coat that helps it blend in with its surroundings.
- Scientists involved with the Tiger-Cats Conservation Initiative in Brazil have discovered that this feline is a distinct species from other similar cats. They concluded after studying the cat's appearance, genetic diversity, and location.

First ever Hindi radio broadcast started in Kuwait

- The **first-ever Hindi radio broadcast** has **started in Kuwait**.
- The Indian Embassy in Kuwait lauded Kuwait's Ministry of Information for starting a Hindi programme on Kuwait Radio on FM 93.3 and AM 96.3 every Sunday.
- This step taken will further strengthen the ties between the two nations.
- India and Kuwait have long-standing trade ties, with the Indian rupee serving as Kuwait's official currency until 1961.
- The year 2021-22 commemorated the 60th anniversary of diplomatic relations between the two nations.

Chapter 14: Banking & Financial

HDFC Bank proposes to sell 100% stake in its subsidiary HDFC Education

- **HDFC Bank** has decided to sell its 100 per cent stake in **HDFC Education and Development Services Private Ltd.**
- The transaction will be undertaken through the Swiss challenge method.
- HDFC Bank would finalize the purchaser on the basis of the completion of the Swiss challenge process, subsequent to which such purchaser and HDFC Bank will enter into definitive documentation for the purposes of the proposed transaction.

Credit cards breach the 100 million mark in India: RBI

- In February 2024, the total number of credit cards issued by banks in India surpassed the 100 million mark, with an addition of 1.1 million cards from the previous month.
- According to the latest data released by the Reserve Bank of India, the outstanding number of credit cards in the system stood at 100.60 million. In February 2023, the total cards in circulation stood at 99.5 million.
- HDFC Bank is the leader in credit card issuances, with the lender's cards in circulation standing at 20.40 million. Other major players include SBI Card with 18.75 million cards, ICICI Bank with 16.84 million, and Axis Bank with 13.90 million.
- On the other hand, the overall credit card spending among Indians has moderated to Rs 1.49 trillion from Rs 1.66 trillion in January 2024 owing to considerable decline in point of sale (PoS) and e-commerce payments.

Karnataka Bank raises Rs 600 cr through qualified institutional placement

- Karnataka Bank has raised around **Rs 600 crore** through qualified institutional placement by issuing shares to institutional investors.
- The qualified institutional placement opened on March 21 and closed on March 27.
- The institutions that bought shares in the QIP include HSBC Mutual Fund, Morgan Stanley Asia Singapore PTE, HSBC Global Investment Funds, SBI Life etc.

GST collection rises 11.5% to ₹1.78 lakh crore in March

- India's Gross Goods and Services Tax (GST) revenue for March 2024 reached ₹1.78 lakh crore (1,78,484 crore), the second-highest collection ever, according to the data released by the Ministry of Finance.
- This surge was driven by a significant rise in GST collection from domestic transactions at 17.6%.
- GST revenue net of refunds for March 2024 is ₹1.65 lakh crore which is growth of 18.4% over same period last year.

Breakdown of March 2024 Collections

- Central Goods and Services Tax (CGST): ₹34,532 crore
- State Goods and Services Tax (SGST): ₹43,746 crore
- Integrated Goods and Services Tax (IGST): ₹87,947 crore, including ₹40,322 crore collected on imported goods
- Cess: ₹12,259 crore, including ₹996 crore collected on imported goods.

Entire FY 2023-24 collections

- Central Goods and Services Tax (CGST): ₹3,75,710 crore
- State Goods and Services Tax (SGST): ₹4,71,195 crore
- Integrated Goods and Services Tax (IGST): ₹10,26,790 crore, including ₹4,83,086 crore collected on imported goods
- Cess: ₹1,44,554 crore, including ₹11,915 crore collected on imported goods.

UPI ends FY24 on a high note, transactions worth ₹199 lakh crore processed

- The Unified Payments Interface (UPI) is going from strength to strength. The transactions on **UPI ended FY24** on a strong high both, in terms of value and volume.
- In FY24, the UPI platform processed **13,115 crore** transactions, aggregating to ₹199.29 lakh crore, compared to 8,376 crore transactions worth ₹139 lakh crore in FY23, a rise of almost 57% in volume and 43% in value, respectively.
- According to figures from NPCI, transactions worth ₹19.78 lakh crore were processed during March 2024, higher than the previous peak of ₹18.41 lakh crore in January 2024.

SEBI launches New & More User-Friendly Version of Complaint Redress System – SCORES 2.0.

- Market regulator **Securities and Exchange Board of India (SEBI)** launched the **new version of SEBI Complaint Redress System (SCORES 2.0)** on April 1.

- The new version of SCORES strengthens the investor complaint redress mechanism in the securities market by making the process more efficient through auto-routing, auto-escalation, monitoring by the 'Designated Bodies and reduction of timelines.
- According to SEBI, the timeline for redressal of complaints in SCORES 2.0 has been reduced to 21 calendar days.

World Bank projects India's economy to grow at 7.5% in 2024

- The Indian economy is projected to grow at 7.5 per cent in 2024, the World Bank has said, revising its earlier projections for the same period by 1.2 per cent.
- According to the report, South Asia is expected to remain the fastest-growing region in the world for the next two years, with growth projected to be 6.1 per cent in 2025.
- According to the World Bank's most recent South Asia Development Update, overall growth in South Asia is forecast to be strong at 6 per cent in 2024, driven mostly by robust development in India and recoveries in Pakistan and Sri Lanka.

Tata AIA unveils payment solution system on WhatsApp

- **Tata AIA Life Insurance Co. Ltd.** (Tata AIA), one of India's leading life insurers, has launched a premium payment service on its WhatsApp platform marking the first-ever launch of its kind in the life insurance sector.
- Previously limited to UPI-based transactions, Tata AIA consumers can now use a wide range of payment methods within WhatsApp.
- Using WhatsApp, policyholders can now easily make renewal payments through credit card, debit card, and net banking options. Policyholders can now pay premium up to INR 1 crore, instead of the earlier limit of INR 2 lakh.

Canara Bank launches loans for healthcare, savings accounts for women

- Canara Bank has unveiled a series of new products and services aimed at enhancing customer experience and streamlining banking operations.
- The bank launched a healthcare focused loan product '**Canara Heal**', to meet the shortfall of hospitalization expenditure while settling through Third Party Administrator (TPA) healthcare insurance claims of self and/or dependents.
- A customized savings account for women -- '**Canara Angel**' -- with features like Cancer Care policy, pre-approved personal loan Canara ReadyCash and online loan against term deposit product **Canara MyMoney**.
- The bank has also unveiled '**Canara UPI 123PAY ASI**', a user-friendly payment interface, and '**Canara HRMS Mobile App for Staff**', an HR management solution for the bank's employees.

Bandhan Mutual Fund launched Bandhan Innovation Fund

- **Bandhan Mutual Fund** has launched the **Bandhan Innovation Fund**, an open-ended thematic fund dedicated to investing in companies at the forefront of innovative breakthroughs.
- The new fund offers or the NFO of the scheme will open for subscription on April 10 and will close on April 24.

- The scheme will be benchmarked against Nifty 500 TRI. The scheme will be managed by Manish Gunwani (equity investments), Brijesh Shah (debt investments), and Ritika Behera (overseas investments).
- The fund targets companies with substantial R&D investment, high skilled-employee costs, potentially higher margins or growth, unique products or services, non-linear business models, and a notable brand presence, according to a press release by the fund house.

MPC holds rate at 6.5% to tame inflation

- The **Monetary Policy Committee (MPC)** has decided to keep the **policy repo rate under the liquidity adjustment facility (LAF) unchanged at 6.50%**. This is the 7th time that the rates have been kept on hold.
- The MPC also decided to remain focused on withdrawal of accommodation to ensure that inflation progressively aligns to the target, while supporting growth.
- The Monetary Policy Committee (MPC) on April 5 decided to keep the policy repo rate under the liquidity adjustment facility (LAF) unchanged at 6.50%. This is the 7th time that the rates have been kept on hold.
- The MPC also decided to remain focused on withdrawal of accommodation to ensure that inflation progressively aligns to the target, while supporting growth.
- These decisions are in consonance with the objective of achieving the medium-term target for consumer price index (CPI) inflation of 4% within a band of +/- 2%, while supporting growth.
- GDP growth for 2024-25 retained at 7 %.
- The Consumer Price Index inflation for 2024- 25 is projected at 4.5 per cent.
- The real GDP growth for 2024-25 is projected at 7.0 percent with Quarter 1 at 7.1 percent; Quarter 2 at 6.9 percent; Quarter 3 at 7.0 percent; and Quarter 4 also at 7.0 percent.

RBI penalizes IDFC First Bank, LIC Housing Finance for non-compliance

- **RBI has imposed a penalty of ₹1 crore on IDFC First Bank for non-compliance** with certain directions on '**Loans and Advances – Statutory and Other Restrictions**'.
- The Statutory Inspection for Supervisory Evaluation for FY22 revealed that the bank had sanctioned term loans to a public sector undertaking for financing infrastructure projects without undertaking due diligence on the viability and bankability of the projects to ensure that revenue streams from the projects were sufficient to take care of the debt servicing obligations. Further, the repayment/servicing of the term loans was made out of budgetary resources.
- The **central bank also fined LIC Housing Finance ₹49.7 lakh for breach of norms**. The housing finance company did not comply with certain provisions of the Fair Practices Code when it did not disclose the rate of interest and approach for gradation of risk and rationale for charging different rate of interest to different categories of borrowers in loan application forms and sanction letters.

U.S. and Britain Forge Alliance to enhance AI Safety

- The **United States and Britain** have joined forces **to bolster the safety measures surrounding artificial intelligence (AI)** amidst concerns over upcoming advanced AI iterations.
- This collaboration aims to collectively develop advanced AI model testing procedures, aligning with commitments made during the AI Safety Summit held at Bletchley Park.
- Both countries are establishing government-led AI safety institutes.
- Britain announced its institute in October to examine and test new types of AI, while the United States launched its own safety institute in November to evaluate risks from advanced AI models. The US institute is now collaborating with 200 companies and entities.

Union Bank raises 4200 cr from DIFC to fund overseas business growth

- **State-owned Union Bank of India** has raised **\$500 million (about Rs 4,200 crore)** from foreign markets to fund overseas business growth.
- The fund was arranged by Dubai International Financial Centre (DIFC), Dubai Branch, Union Bank of India said in a regulatory filing.
- A syndicated term loan of \$ 500 million (\$400 million and Green Shoe of \$100 million) would be drawn in two tranches with tenure of 3 and 5 years.
- This is the maiden syndicated term loan raised by Union Bank of India at an overseas centre.

Piramal Alternatives invests Rs 110 crore in Biodeal Pharmaceuticals

- **Piramal Alternatives**, the investment arm of Piramal Group, has **announced an investment of Rs 110 crore in Biodeal Pharmaceuticals**.
- The funding will be directed towards improving infrastructure and capacities, upgrading technology, and underlay a dedicated nutraceuticals manufacturing facility.
- Biodeal is a **contract development and manufacturing organisation**.
- The investment is aimed at fuelling Biodeal's development of solutions, enhancing its production capabilities, and operations, positioning it as a leading nasal spray manufacturer.

REC sanctions record Rs 3.59 lakh crore loan in FY24

- **State-owned REC Limited** has made **record loan sanctions worth Rs 3.59 lakh crore during 2023-24**, posting a year-on-year rise of 33.66 percent.
- It had sanctioned Rs 2.68 lakh crore as loan during the preceding 2022-23 fiscal.
- Of the total Rs 3.59 lakh crore, Rs 1.36 lakh crore were "renewable energy sanctions" for green projects.
- The disbursements were 66.72 percent higher as compared to Rs 96,846 crore worth of loans disbursed in FY'23.
- As of March 31, 2024, the company's loan book was at Rs 5.09 lakh crore, higher 17.13 percent as against Rs 4.35 lakh crore in FY'23.

General Insurance industry grows 12.78% in FY24

- **The general insurance industry reported a growth of 12.78% in FY24**, the pace of expansion slowing from a year before on a decline in agri insurance.
- In FY23, the insurance industry had reported a growth rate exceeding 16%. However, there was a slowdown in FY24 largely due to the performance of crop insurance.
- Specialised insurer AIC reported a decline of 32% in growth due to the slowdown in agriculture insurance.
- Excluding specialised insurers like AIC, the industry saw a growth rate of 16.22%. The total industry premium reached Rs 2.89 lakh crore, an increase from Rs 2.56 lakh crore in the previous period.
- In FY25, the industry is expected to report 15-17% growth led by the health and motor insurance sectors.
- In FY24, among public insurers, Oriental Insurance led with 17% growth, while Bajaj Allianz topped among private insurers with 33.49% growth. ICICI Lombard General Insurance maintained pace with industry growth at 17.84%
- In standalone health insurance, Niva Bupa and Aditya Birla Health Insurance demonstrated significant growth rates of 37.68% and 36.23%, respectively.
- Listed public sector insurance company New India Assurance grew by 7.40% during the year.
- Some of the smaller players like Zuno General Insurance Company grew by 56.29%. Kotak Mahindra General Insurance Company grew by 39.95%. Go Digit General Insurance Company grew at 28.91% during the year.

HDFC becomes first private bank to open branch in Lakshadweep

- **Private lender HDFC Bank has opened a branch at Kavaratti Island in Lakshadweep**, making it the only private sector bank to have a branch in the Union Territory.
- This branch is aimed at upgrading the banking infrastructure in the Union Territory by offering a wide range of services with a focus on personal banking, and digital banking which also includes customised digital solutions including QRbased transaction to retailers.
- HDFC Bank has branches in the cold climes of Kashmir, the southern tip of Kanyakumari and now the island of Lakshadweep – a prominent tourist place

L&T completes sale of entire stake in L&T Infrastructure Development Projects

- **Larsen & Toubro Ltd has completed the sale of its entire equity stake in L&T Infrastructure Development Projects Ltd (L&T IDPL) to Epic Concesiones Pvt Ltd.**
- It is a joint venture between L&T and Canada Pension Plan Investment Board (CPP Investments) holding 51 per cent and 49 per cent shares, respectively.
- The transaction is the culmination of a long journey for L&T that started in the early 2000s in the Developmental Projects business and I have no doubt that the portfolio of good quality assets and team of IDPL will add value to the Infrastructure Yield Strategy of Edelweiss Alternatives platform going forward.

At 4.85%, retail inflation falls to 10-month low in March

- Despite high food prices, **retail inflation based on Consumer Price Index (CPI) declined to a 10-month low of 4.85 per cent in March** as against 5.09 per cent in February, data released by National Statistical Office (NSO).
- Food prices are expected to remain volatile in the coming months which could impact the headline number.
- Meanwhile, industrial growth based on the Index of Industrial Production rose to a four-month high in February, to 5.7 per cent, against 4.1 per cent in January.

Wholesale inflation rises to 3-month high of 0.53% in March

- India's wholesale price index-based inflation accelerated to 0.53 per cent in March** on an annual basis, its highest level in three months, as against 0.20 per cent in February, data from the Commerce Ministry.
- This inflation was primarily attributed to increased prices in food articles, electricity, crude petroleum & natural gas, machinery & equipment, and other manufacturing sectors.
- Last week, India's retail inflation data was released which showed that it eased to 4.85 per cent on an annual basis in March as against 5.09 per cent in the previous month.

SBI Life launches IdeationX

- SBI Life Insurance** has launched the **1st edition of 'IdeationX'**, a pioneering initiative that promises to revolutionize the future of the insurance industry.
- The innovative platform aims at engaging and encouraging future leaders from B-Schools across the country to think, innovate and present unconventional life insurance solutions that address consumer's evolving insurance needs and contribute towards reshaping India's life insurance sector landscape.
- The key objective behind this initiative is to involve the young minds who are the future leaders of the country, to identify various insurance needs and conceptualize product solutions addressing those needs.

RBI imposes Rs 60.3 lakh penalty on five co-operative banks

- The Reserve Bank** has **imposed penalties totalling Rs 60.3 lakh on five co-operative banks** for contravention of various regulatory norms.
- A penalty of **Rs 43.30 lakh has been imposed on Rajkot Nagarik Sahakari Bank** for non-compliance with RBI directions on 'ban on loans and advances to directors and their relatives, and firms/concerns in which they are interested'.
- The central bank has **imposed a monetary penalty of Rs 5 lakh each on The Kangra Co-operative Bank (New Delhi), Rajdhani Nagar Sahakari Bank (Lucknow), and Zila Sahakari Bank, Garhwal (Kotdwar, Uttarakhand)**.

Aegon Life Insurance gets new identity, will now be called "Bandhan Life"

- Bandhan Financial Holdings** has officially **taken over Aegon Life Insurance** and the latter will now be called **Bandhan Life**.
- The private life insurer has also created a new brand identity for itself with the tagline 'Bharat Ki Udaan, Bandhan se'.

- Satishwar B., MD and CEO of Bandhan Life, said, "This transition sets the stage for an amazing new chapter for us as we become a part of the renowned Bandhan Group."
- The updated product names, such as Bandhan Life iTerm Prime, reflect this new direction, inviting customers to explore the company's enhanced offerings on its website.

Airtel Payments Bank launches NCMC-enabled Debit and Prepaid Cards

- **Airtel Payments Bank** has launched **eco-friendly NCMC (National Common Mobility Cards) enabled debit and pre-paid cards.**
- The bank has partnered with National Payments Corporation of India (NPCI) to launch these interoperable cards that are powered by RuPay.
- The launch comes in alignment with the bank's commitment to India's One Nation, One Card vision.
- The bank has introduced NCMC enabled debit card for its savings account customers and NCMC enabled pre-paid card for the wallet customers.

Outward FDI drops 39% to \$28.64 billion in FY24

- **India's outward foreign direct investment (OFDI)**, or overseas direct investment, **declined by 39 per cent to \$28.64 billion in the year ended March 2024**, amid uncertain global economic conditions.
- In the year ended March 2023, outward FDI, which is represented by total financial commitment, stood at \$46.96 billion, according to the RBI data.
- The data released shows overseas direct investment both under the automatic route and the approval route. Of the total overseas direct investment, commitments through the equity route stood at \$9.62 billion in fiscal 2024, compared to \$19.13 billion in FY2023.
- The equity contributed around 34 per cent of the total financial commitment made in FY2024.
- In FY2024, the loan commitments stood at \$5.24 billion as against \$7.73 billion made in FY2023.

Irdai removes age limit on health insurance policies

- With a view to widen the market and foster adequate protection from healthcare expenses, **insurance regulator IRDAI** has **removed the age limit of 65 years for individuals buying health insurance policies.**
- This marks a significant departure from the conventional constraints that limited individuals in securing comprehensive coverage.
- IRDAI aims to foster a more inclusive and accessible healthcare ecosystem, ensuring adequate protection against unforeseen medical expenses.

Net direct tax collection surges to over Rs 19 lakh cr during last fiscal

- **India's net direct tax collections surged 17.7% year-on-year to ₹19.58 lakh crore in the fiscal year ended March 2024**, surpassing the revised estimates.

- Net direct taxes in 2023-24 exceeded the budget estimates by ₹ 1.35 lakh crore (7.40%) and the revised estimates by ₹13,000 crore.
- Higher direct tax collections will give the Centre headroom to meet its fiscal deficit target for FY24.
- The Centre had budgeted ₹18.23 lakh crore as net direct tax revenue for 2023-24, which was later revised upwards to ₹19.45 lakh crore.
- The Centre lowered its fiscal deficit target for FY24 to 5.8% from 5.9% projected earlier.

BharatPe launches all-in-one payment device BharatPe One

- BharatPe has launched a **payments device that combines point of sale (POS), QR code, and speaker functionalities.**
- The payments startup will introduce **BharatPe One** in some 100 cities and expand to another 450 in six months.
- BharatPe One will streamline transactions for merchants, offering versatile payment acceptance options including dynamic and static QR codes, POS, and speaker capabilities, said the company.
- The device is part of BharatPe's suite of simple, easy-to-use, and secure fintech products, which includes payments and business loans for its merchant partners.

SBI Card introduces inaugural travel-centric core credit card 'MILES'

- **SBI Card** introduced its **inaugural travel-centric core credit card, 'SBI Card MILES'.**
- The card promises comprehensive travel benefits, including the conversion of Travel Credits to Air Miles and Hotel Points, enhanced rewards on all travel bookings, and access to airport lounges.
- There are three variants, SBI Card MILES ELITE, SBI Card MILES PRIME, and SBI Card MILES, which have been designed to elevate these experiences through curated travel benefits.

Razorpay launches UPI Switch with Airtel Payments Bank

- **Digital payments platform Razorpay** has launched its own **Unified Payments Interface (UPI) infrastructure, or UPI switch, in partnership with Airtel Payments Bank.**
- The company will now provide its UPI Switch service to Airtel Payments Bank, enabling it to manage UPI transactions on the payments bank's platform. The solution can handle up to 10,000 transactions per second (TPS).
- Razorpay received a final approval from the Reserve Bank of India (RBI) in December last year to operate as a payment aggregator, enabling it to onboard new merchants after a nearly one-year-old regulatory ban.

Credit card spends rise 27% to Rs 18.26 trillion in FY24: RBI data

- **Credit card spends** surged **27 per cent year-on-year (Y-o-Y) to Rs 18.26 trillion in financial year 2023-24 (FY24)** from nearly Rs 14 trillion in the year-ago period, according to RBI data.

- In March 2024, credit card spends rose nearly 10.07 per cent to Rs 1.64 trillion from Rs 1.49 trillion in February. This is on account of the financial year close and festival sales during March.
- Among the top card players, use of HDFC Bank's credit card was at Rs 43,471.29 crore in March, 8.57 per cent higher than Rs 40,288.51 crore in February.
- The total number of credit cards issued by banks in India has increased to 101 million in March 2024. It was 100.60 million at the end of February 2024.

NABARD unveils Climate Strategy 2030

- **National Bank for Agriculture and Rural Development (NABARD)** unveiled its **Climate Strategy 2030 document on the occasion of Earth Day**.
- The comprehensive strategy aims to address India's escalating need for green financing.
- Despite the pressing demand, where India requires approximately \$170 billion annually to reach a cumulative total of over \$2.5 trillion by 2030, current green finance inflows are critically insufficient.
- NABARD's Climate Strategy 2030 is structured around four key pillars to address this demand:
 - (i) Accelerating Green Lending across sectors
 - (ii) Playing a broader Market-Making Role
 - (iii) Internal Green Transformation of NABARD
 - (iv) Strategic Resource Mobilization.

AU SFB launches multiple products like credit cards with exclusive features

- **AU SFB** launches **multiple products like credit cards with exclusive features**
- Among the latest offerings are two innovative credit cards: the AU SPONT Rupay Credit Card and Secured Credit Card - NOMO (No Missing Out), developed in collaboration with NPCI and VISA, respectively.
- The NOMO Credit Card marks AU SFB's debut into the realm of secured credit cards, backed by a fixed deposit.
- Additionally, AU SFB has unveiled the AU 0101 Business App, designed to offer customized solutions for proprietorships and MSMEs, alongside AU0101 Version 2.0, engineered to provide customers with an enhanced mobile banking experience, complete with exciting new features.

NIPFP forecasts India's FY25 GDP growth at 7.1%

- Economic think-tank **National Institute of Public Finance and Policy (NIPFP)** has estimated **India's GDP growth at 7.1 per cent for the current fiscal**, using high-frequency models.
- NIPFP, in a series of tweets, said the Centre is on a fiscal consolidation path through buoyancy in taxes and revenue expenditure compression.
- While NIPFP's forecast stands at 7.1%, other entities such as the Asian Development Bank (ADB) and Fitch Ratings estimate a growth rate of 7%. In contrast, the

International Monetary Fund (IMF), S&P Global Ratings, and Morgan Stanley project a slightly lower growth rate of 6.8% for FY25, indicating varying perspectives on India's economic trajectory.

FPI limit in G-sec unchanged at 6% of outstanding stocks of securities: RBI

- Reserve Bank kept the limits for FPI investment in government securities (g-secs), state government securities (SGSs) and corporate bonds will remain unchanged at 6 per cent, 2 per cent and 15 per cent, respectively, of outstanding stocks of securities for the current fiscal (2024-25).
- As of now, all investments by eligible investors in the 'specified securities' will be reckoned under the fully accessible route (FAR).
- The allocation of incremental changes in the g-sec limit over the two sub-categories – 'General' and 'Long-term' – shall be retained at 50:50 for 2024-25.

Chapter 15: Committee

Chapter 16: Defence News

HAL delivers two Dornier 228 planes to Guyana

- The Hindustan Aeronautics Limited (HAL) has delivered two Dornier 228 planes to the Guyana Defence Force.
- The planes arrived at Cheddi Jagan International Airport last evening aboard two Boeing C-17 Globemaster military transport planes.
- The Dornier 228 aircraft is well-known for its versatility and reliability, making it an ideal choice for a wide range of military and civilian applications.
- With its rugged design and superior performance capabilities, the Dornier 228 is well-suited for various missions, including surveillance, reconnaissance, medical evacuation, and transport operations.

Army inducted 'Akashteer' Systems to enhance air defence posture

- The Army has started the induction of control and reporting systems under 'Project Akashdeep' to bolster its air defence capabilities.
- The deployment of the systems began with flagging off of the first batch of Control Centres from BEL Ghaziabad.
- Developed by Bharat Electronics Limited (BEL), the project is aimed at significantly enhancing the operational efficiency and integration of the Army's air defence mechanisms.

Indian Coast Guard inaugurates Aquatic Centre in Tamil Nadu

- Indian Coast Guard's DG Rakesh Pal has inaugurated the Indian Coast Guard Aquatic Centre at ICGS Mandapam, Tamil Nadu.
- This is as part of his four-day visit to the maritime force's bases in Tamil Nadu, Andhra Pradesh, and Puducherry.

- The visit aimed to review operational preparedness and infrastructure development in the region, with a focus on ensuring safe, secure, and clean seas.

Indian Army gets portable Igla-S Air defence system

- **The Indian Army** has received the **first batch of 24 Russia-made Igla-S Man Portable Air Defence Systems (MANPADS)** and 100 missiles as part of a larger deal that includes domestic production in India.
- This procurement aims to enhance the Army's Very Short-Range Air Defence (VSHORAD) capabilities, particularly in high mountainous terrain along the northern border.
- The Igla-S is a hand-held defence system that can be operated by an individual or crew. It is designed to bring down low-flying aircraft and can also identify and neutralise air targets such as cruise missiles and drones.

DRDO & Indian Army conduct successful trials of MPATGM weapon system

- **The Defence Research and Development Organization (DRDO)** carried out successful trials of the **Man-Portable Anti-Tank Guided Missile (MPATGM) Weapon System at Pokhran Field Firing Range, Rajasthan**
- The Man-Portable Anti-Tank Guided Missile (MPATGM) Weapon System was indigenously designed and developed by DRDO.
- It consists of MPATGM, the Man Portable Launcher, the Target Acquisition System (TAS), and the Fire Control Unit (FCU).
- An adequate number of missile firing trials have been successfully conducted towards achieving compliance with the complete operational envelope as stipulated in the GSQR (Infantry, Indian Army).
- Penetration trials of the Tandem Warhead System of MPATGM have been completed and the Tandem Warhead is found capable of defeating modern armour-protected Main Battle Tank (MBT).

DRDO conducts successful flight test of Indigenous Technology Cruise Missile from Chandipur off Odisha coast

- **Defence Research and Development Organisation (DRDO)** conducted a **successful flight test of Indigenous Technology Cruise Missile**.
- The missile was test-fired from the **Integrated Test Range, Chandipur off the coast of Odisha**.
- The missile has been developed by the Aeronautical Development Establishment (ADE), a laboratory based in Bengaluru, along with other Indian industries and laboratories. It is equipped with advanced avionics and software to ensure reliable and improved performance.
- The flight of the missile was also monitored from the Su-30-Mk-I aircraft of the Indian Air Force. This successful flight test has also established the reliable performance of the indigenous propulsion system developed by the Gas Turbine Research Establishment, Bengaluru.

India delivers 1st batch of BrahMos supersonic cruise missiles to Philippines

- **India has delivered the first batch of BrahMos supersonic cruise missiles to the Philippines**, in reflection of the growing military ties between the two countries amid China's military muscle-flexing in the South China Sea.
- The supplies came over two years India signed a \$375 million deal with the Southeast Asian nation to supply the weapon systems.
- Under the January 2022 deal, India will supply three batteries of the missiles, their launchers and related equipment. It was the first export of the BrahMos missile by India.

Indian Navy Conducted Exercise Poorvi Lehar On East Coast

- **The Indian Navy** carried out an extensive exercise along the **East Coast as part of efforts to check its preparedness to meet any maritime security challenges**.
- The exercise 'Poorvi Leher' witnessed participation of ships, submarines, aircraft and special naval forces.
- The exercise was aimed at validation of procedures towards assessment of the Indian Navy's preparedness to meet maritime security challenges in the region.

Defence Exercise	Between	About
The Indian Air Force (IAF) 10-day mega exercise 'Gagan Shakti'	The Indian Air Force (IAF)	During the exercise, known as ' Gagan Shakti-2024 ', the IAF will mobilize all its bases and assets across the country.

Chapter 20: Science & Technology

Tata launches India's first private earth observation satellite

- **Tata Advanced Systems (TASL)**, Tata Sons' wholly-owned subsidiary, has launched **India's first private sector-built sub-metre resolution earth observation satellite, TSAT-1A, in collaboration with Satellogic**.
- The satellite was launched from the Kennedy Space Center, Florida, by SpaceX.
- The satellite was assembled at TASL's facility in Karnataka. Elon Musk's SpaceX launched a total of 11 satellites in its maiden Bandwagon flight.
- TSAT-1A will provide high-resolution satellite images with low-latency delivery. The Indian armed forces are expected to be one of its major users.
- This is the first sub-metre high-resolution earth observation satellite by the private sector in India. The satellite, weighing less than 50 kg, is in low-earth orbit.

Dr Reddy's launches migraine management wearable device 'Nerivio'

- **Dr Reddy's Laboratories** has launched the **drug-free, non-invasive migraine management wearable device 'Nerivio' in Germany** through its step-down subsidiary, betapharm.
- The launch marks the company's entry into digital therapeutics in Europe.
- Nerivio is approved by the United States Food and Drug Administration (USFDA) and is CE-mark certified in Europe.
- Nerivio was presented in 2023 by Dr Reddy's at the DGN Kongress organised by the German Association of Neurology in Berlin and the 17th European Headache Congress held in Barcelona, Spain.
- Migraine is a global health challenge, affecting around 30% of adults on 15 or more days per month, impacting 1.7% to 4% of the population.

Pilot Gopi Thotakura becomes first Indian space tourist to fly with Blue Origin

- **Gopi Thotakura**, an entrepreneur and a pilot, is set to become the **first Indian to venture into space as a tourist on Amazon founder Jeff Bezos's Blue Origin's NS-25 mission**.
- Thotakura was selected as one of the six crew members for the mission, making him the first Indian space tourist and the second Indian to venture into space after the Indian Army's Wing Commander Rakesh Sharma in 1984.
- Gopi Thotakura, an entrepreneur and a pilot, is set to become the first Indian to venture into space as a tourist on Amazon founder Jeff Bezos's Blue Origin's NS-25 mission.
- Mr. Thotakura was selected as one of the six crew members for the mission, making him the first Indian space tourist and the second Indian to venture into space after the Indian Army's Wing Commander Rakesh Sharma in 1984.
- Other crew members of the flight include **Mason Angel, Sylvain Chiron, Kenneth L. Hess, Carol Schaller, and former Air Force Captain Ed Dwight**, who was selected by President John F Kennedy in 1961 as the nation's first Black astronaut candidate but was never granted the opportunity to fly to space.
- This mission will be the seventh human flight for the New Shepard programme and the 25th in its history.

Russia successfully launches Angara A5 rocket

- **Russia** has successfully launched the **Angara-A5 rocket from the Vostochny Cosmodrome**.
- The Angara family of rockets, developed to replace the Soviet-designed Proton rockets, is central to Russia's strategy to secure its independence in accessing outer space and to reduce reliance on the Baikonur Cosmodrome in Kazakhstan.
- According to mission control that launched the rocket, it reached an altitude of more than 25,000 kilometers (15,500 mi) per hour within minutes as it blasted off into space.
- The Angara rocket is a 54.5 meter (178.81 ft) three-stage rocket. Its weight is about 773 tons, about 24.5 tons of which can be carried into space.

India's Commitment to Debris-Free Space Missions by 2030

- **India has made a declaration to achieve debris-free space missions by 2030.**
- Indian Space Research Organisation (ISRO) Chairman S. Somanath made the declaration at the 42nd Inter-Agency Space Debris Coordination Committee (IADC) annual meet.
- This initiative aims to achieve debris-free space missions by all Indian space actors, governmental and non-governmental, by 2030.
- With 54 spacecraft in orbit and numerous non-functional objects, ISRO has been actively taking measures to dispose of or remove space debris. Efforts include deorbiting spacecraft once their mission is complete and designing systems to minimize debris creation.

Microsoft announces VASA-1 AI model to turn images into videos

- Microsoft has introduced a new **VASA 1 AI model**, a framework designed to generate lifelike talking faces for virtual characters, boasting appealing Visual Affective Skills (VAS).
- With just a single static image and a speech audio clip, the company says its VASA-1 can create life-like short videos.
- The model also gives several options to make changes to the video. Here is everything you need to know.
- The VASA 1 can deliver high video-quality content with realistic facial and head dynamics. The model supports the online generation of 512 x 512 videos at up to 40fps with negligible starting latency.

Microsoft launches lightweight artificial intelligence model Phi-3-mini

- Microsoft has launched **Phi-3 Mini**, a freely available, lightweight small language AI model.
- The company plans to further release two other models in the same scale.
- The model is meant to be simpler and cheaper compared to other heavyweight large language models like OpenAI's GPT-4 Turbo.
- This is the smallest model that Microsoft has released yet and can be run locally, which means it can run for free on a smartphone without requiring an internet connection.
- The model can also run on the chips that power regular computer instead of the expensive and hard to find AI processors that Nvidia makes.

Chapter 21: Obituary

Person	About
Veteran Actress Barbara Rush	Rush was known for her roles in ' It Came from Outer Space ' and ' Peyton Place '.
Tamil actor Visheshwara Rao	Visheshwara Rao started his career as a child artiste at the age of six. He found popularity for playing the role of Laila's innocent father in Suriya's Pithamagan .
