Sol. Mastercard launches Global Payment Passkey Service in India

US-based multinational payment card services corporation Mastercard has launched its Payment Passkey Service, with plans to first introduce it to India. It Payment Passkey Service, marking a significant step forward in secure online transactions.

Unveiled at the Global Fintech Fest in Mumbai, this innovative service aims to make online shopping more secure and convenient, with India chosen as the debut market for its pilot program.

The pilot will involve some of the nation's leading payment players, including aggregators like Juspay, Razorpay, and PayU, major online merchants like BigBasket, and top financial institutions like Axis Bank.

The Payment Passkey Service is designed to address the growing threat of online fraud, which has seen a nearly 300% increase in India over the past two years, according to the Reserve Bank of India. By leveraging device-based biometric authentication methods—such as fingerprints or facial scans—the service eliminates the need for traditional passwords and, one-time passwords (OTPs), which have become increasingly vulnerable to scams like phishing and SIM swapping.

The service enhances security by utilizing passkeys and tokenization to ensure that no financial account data is shared with third parties, thereby rendering it useless to fraudsters.

Sol. President Murmu approves constitution of 23rd Law Commission for three-year term

President Droupadi Murmu has approved the constitution of the 23rd Law Commission of India, with its term set from September 1, 2024, to August 31, 2027.

The commission will include a full-time chairperson, four members, and additional ex-officio and part-time members. The commission's mandate is to review and recommend legal reforms to enhance the Indian legal system.

The 22nd Law Commission's term ends 31 August 2024. The commission has been functioning without a chairperson for several months, delaying crucial reports, including those on the Uniform Civil Code and simultaneous elections.

In March 2024, Justice Ritu Raj Awasthi, the then Chairman of the Law Commission, resigned after a 17-month tenure. While the report on simultaneous elections is ready, it cannot be submitted to the Law Ministry due to procedural requirements that stipulate the need for a chairperson.

Sol. Bengaluru's Siddhartha Aggarwal becomes oldest Indian to swim across English Channel solo

Siddhartha Agarwal, a 49-year-old swimmer from Bengaluru, has made history by becoming the oldest Indian to swim across the English Channel.

Agarwal successfully navigated the 42-km stretch between England and France, completing the grueling swim in an impressive 15 hours and six minutes.

Agarwal's quest in the freezing waters of the English Channel first began in 2018 when he crossed the Channel as part of an eight-member relay team. Incidentally, this was the same year when Srikaanth Viswanathan, also from Bengaluru, entered the Limca Book of Records for becoming the oldest to swim the English Channel solo at the age of 46. Six years later, Agarwal, affectionately known as "Sid" in the swimming community, surpassed his compatriot's record. The final 10 km of his swim presented the greatest challenge, as he battled rigid conditions and high tides, exacerbated by winds reaching approximately 25 miles per hour. Despite these obstacles, Agarwal successfully completed the swim, solidifying his place in the record books.

It was the mammoth preparations for the solo swim under a taskmaster of a coach Satish Kumar, a former international swimmer himself, that was the most challenging.

In its Master Circular on Protection of Policyholders' Interests under the Irdai (Protection of Policyholders' Interests, Operations, and Allied Matters of Insurers) Regulations, 2024, replacing 30 circulars, the regulator consolidated policyholder entitlements into a single reference document and emphasised measures towards providing a seamless, faster, and hassle-free claims settlement experience to a policyholder and enhance service standards to foster a climate of trust and transparency within the insurance sector. This includes guidance for prospects, policyholders, and customers prior to sale, at the proposal stage, upon receiving policy documents, during the policy's term.

Insurers have to provide a customer information sheet (CIS) for all insurance segments, outlining key policy features, benefits, and exclusions.

The proposal form and CIS must be made available in regional languages upon the customer's request. Both life and general insurers will give policyholders a 30-day free look period to review the terms and conditions of the policy.

Sol. India secures record 29 medals at Paris Paralympics 2024

The Indian contingent concluded its historic Paris Paralympics campaign with 29 medals, including seven gold, nine silver, and 13 bronze medals, marking the country's best performance in the competition's history.

India also crossed the 50-medal mark in Paralympic Games history with this impressive performance.

With this landmark achievement, India has surpassed its previously most successful campaign at the Tokyo 2020 Paralympics, where they secured 19 medals, including five golds, eight silver, and six bronze medals.

A record 84 para-athletes represented the tricolour from August 28 to the conclusion of the event, competing across 12 disciplines, compared to just nine in Tokyo 2020. India also made its debut in three sports in Paris: paracycling, para rowing, and blind judo.

The 29 medals were won across five sports, with a remarkable 17 coming from track and field events. This ensured that India finished in the top 20 of the medal standings at the mega-event, which was once again dominated by China.

China topped the Paralympics medals table with 220 medals, including 94 golds.

China has led the medal standings at every Paralympics since Athens 2004. Great Britain finished second in Paris with 49 golds, followed by the United States, which claimed 36 titles.

Union Bank of India announced its decision to become a signatory to the Partnership for Carbon Accounting Financials (PCAF).

This step aligns with the growing global emphasis on climate risk management and the recent draft guidelines issued by the Reserve Bank of India (RBI) on climate risk disclosures.

PCAF is a global partnership of financial institutions working to develop and implement a harmonized approach to assess and disclose greenhouse gas emissions associated with loans and investments.

By joining PCAF, Union Bank of India demonstrates its commitment to measuring and managing its financed emissions, a crucial aspect of climate risk management for banks.

Financed emissions, referred to as Scope 3 emissions, represent the indirect emissions that result from a Bank's lending and investment activities. These emissions can significantly outweigh a Bank's operational emissions and pose substantial risks to its portfolio in the face of climate change and evolving regulations.

169. Consider the following points about the "PM-eBus Sewa-Payment Security Mechanism (PSM) scheme" that was recently approved by the Union Cabinet-

- (i) This scheme will support the deployment of more than 38,000 electric buses (e-Buses) from FY 2024-25 to FY 2029-30.
- (ii) The scheme will support the operation of e-buses for up to 15 years from the deployment date.
- (iii) PM- eBus Seva PSM scheme approved with an outlay of Rs. 3,435.33 crore.

Which of the following point(s) is/are INCORRECT regarding this scheme?

- (a) only i and ii
- (b) only ii and iii
- (c) only i and iii
- (d) all are correct
- (e) all are incorrect

Ans. a

Sol. Cabinet approves PM-eBus Sewa-Payment Security Mechanism (PSM) scheme for procurement and operation of e-buses

The Union Cabinet, chaired by Prime Minister Narendra Modi has approved the “PM-eBus Sewa-Payment Security Mechanism (PSM) scheme” for the procurement and operation of e-buses by Public Transport Authorities (PTAs) with an outlay of Rs. 3,435.33 crore.

This scheme will support the deployment of more than 38,000 electric buses (e-Buses) from FY 2024-25 to FY 2028-29.

The scheme will support the operation of e-buses for a period of up to 12 years from the date of deployment.

At present, the majority of buses operated by Public Transport Authorities (PTAs) run on diesel/CNG, causing adverse environmental impacts. On the other hand, e-buses are environment friendly and have lower operational costs.

However, it was anticipated that Public Transport Authorities (PTAs) would find it challenging to procure and operate e-buses because of high upfront costs and lower realization of revenue from operations.

To address the high capital cost of e-buses, Public Transport Authorities (PTAs) induct these buses through Public Private Partnership on Gross Cost Contract (GCC) model.

Sol. Cabinet approves PM Electric Drive Revolution in Innovative Vehicle Enhancement (PM E-DRIVE) Scheme

The Union Cabinet chaired by Prime Minister Narendra Modi has approved the proposal of Ministry of Heavy Industries (MHI) for implementation of a scheme titled 'PM Electric Drive Revolution in Innovative Vehicle Enhancement (PM E-DRIVE) Scheme' for promotion of electric mobility in the country.

The scheme has an outlay of Rs 10,900 crore over two years.

Subsidies/Demand incentives worth Rs.3,679 crore have been provided to incentivize e-2Ws, e-3Ws, e-ambulances, e-trucks and other emerging EVs. The scheme will support 24.79 lakh e-2Ws, 3.16 lakh e-3Ws, and 14,028 e-buses.

MHI is introducing e-vouchers for EV buyers to avail of demand incentives under the scheme.

The scheme allocates Rs.500 crore for the deployment of e-ambulances. This is a new initiative of Govt of India to promote the use of e-ambulance for comfortable patient transport. The performance and safety standards of e-ambulances will be formulated in consultation with MoHFW, MoRTH, and other relevant stakeholders.

A sum of Rs.4,391 crore has been provided for procurement of 14,028 e-buses by STUs/public transport agencies. The demand aggregation will be done by CESL in the nine cities with more than 40 lakh population namely Delhi, Mumbai, Kolkata, Chennai, Ahmedabad, Surat, Bangalore, Pune and Hyderabad. Intercity and Interstate e-buses will also supported in consultation with states.

The trucks are a major contributor to air pollution. The scheme will promote the deployment of e-trucks in the country. Rs.500 crores has been allocated for incentivising e-trucks. Incentives will be given to those who have a scrapping certificate from MoRTH-approved vehicles scrapping centers (RVSF).

The scheme proposes the installation of 22,100 fast chargers for e-4 Ws, 1800 fast chargers for e-buses and 48,400 fast chargers for e-2W/3Ws. The outlay for EV PCS will be Rs.2,000 crore.

Sol. Cabinet approves ₹5 lakh health insurance for senior citizens above 70 years
The Union Cabinet, chaired by Prime Minister Narendra Modi, has approved health coverage to all senior citizens aged 70 years and above irrespective of income under the flagship scheme Ayushman Bharat Pradhan Mantri Jan Arogya Yojana (AB PM-JAY).

This aims to benefit approximately 4.5 Crore families with six (6) crore senior citizens, with 5 Lakh rupees free health insurance cover on a family basis.

With this approval, all senior citizens of the age 70 years and above irrespective of their socio-economic status would be eligible to avail the benefits of AB PM-JAY. The eligible senior citizens would be issued a new distinct card under AB PM-JAY.

The senior citizens aged 70 years and above belonging to families already covered under AB PM-JAY will get an additional top-up cover up to ₹5 lakh per year for themselves (which they do not have to share with the other members of the family who are below the age of 70 years). All other senior citizens of the age 70 years and above will get a cover up to ₹5 lakh per year, on a family basis.

Senior citizens aged 70 years and above who are already availing benefits of other public health insurance schemes such as Central Government Health Scheme (CGHS), Ex-Servicemen Contributory Health Scheme (ECHS), Ayushman Central Armed Police Force (CAPF) may either choose their existing scheme or opt for AB PMJAY.

It has been clarified that senior citizens of 70 years and above who are under private health insurance policies or Employees' State Insurance scheme will be eligible to avail benefits under AB PM-JAY.

AB PM-JAY is the world's largest publicly funded health assurance scheme which provides health cover of Rs. 5 lakh per family per year for secondary and, tertiary care hospitalization to 55 crore individuals corresponding to 12.34 crore families. All members of the eligible families irrespective of age are covered under the scheme. The scheme has covered 7.37 Crore hospital admissions including 49 percent women beneficiaries. The public has benefited to the extent of over Rs. 1 Lakh crore under the scheme.

The AB PM-JAY scheme has witnessed continuous expansion of the beneficiary base. Taking the mission ahead, AB PM-JAY would now provide free healthcare coverage of Rs 5 lakh to all citizens aged 70 years and above in the country.

Ans. b

Sol. Telangana government has decided to celebrate September 17 as Praja Palan Day

The Telangana State government has decided to celebrate September 17th, the day on which Hyderabad State was integrated into the Indian Union in 1948, as the Telangana Praja Palana Day, the Day of People's Governance.

On that day in 1948, the then-Hyderabad state merged with the Indian Union.

In 2023, the then-BRS government decided to celebrate September 17 as National Integration Day. The Union government, on the other hand, decided to celebrate it as

Hyderabad Liberation Day, and the Ministry of Home Affairs issued a gazette notification to this effect.

Hyderabad merged with the Indian Union on September 17, 1948, following a "police action" under Operation Polo. While some describe it as liberation from Nizam rule, others call it a merger with the Indian Union.

The Indian Navy commissioned its indigenously designed and developed Kalvari Submarine Escape Training Facility at its premier submarine training base, INS Satavahana, in Visakhapatnam, Andhra Pradesh.

The INS Satavahana is under the Eastern Naval Command of the Indian Navy. L&T Defence has constructed the Kalvari Submarine Escape Training Facility, Vinetra (meaning Trainer).

The Kalvari Submarine Escape Training Facility will train the submarine crews of the Kalvari class of conventional submarines operated by the Indian Navy. It will train the crew to save their lives and escape from the submarine when it is in distress due to an accident or under attack.

The facility is equipped with a five-meter escape tower integrated with an adjacent diving basin.

The Vinetra facility was developed under the government's Make in India facility and Atma Nirbhar Bharat campaign to make India self-reliant in critical defence technology and facilities.

About Kalvari Class Submarine of the Indian Navy

- The Kalvari class submarine is being constructed in India under Project 75 of the Indian Navy, under which six submarines were to be constructed.
- In 2005, India and France signed a \$3.75 billion deal to construct six conventional Scorpene-class submarines in India with technology transfer from France.

- The French company Naval Group was to provide the technology, while the Mumbai-based Mazagon Dock Shipbuilders Limited (MDL) was to construct it.
- The 2000-tonne INS Kalvari class submarine is capable of performing all types of missions, such as surface vessel warfare, anti-submarine warfare, long-range strikes, special operations, and intelligence gathering.

Sol. UPI users can now send Rs 5 lakh for some transactions

The National Payments Corporation of India (NPCI) has increased transaction limits for tax payments using the Unified Payments Interface (UPI), allowing people to transfer Rs 5 lakh in a single transaction.

While announcing its monetary policy statement on August 2024, RBI announced the enhancement of the limit for tax payments through UPI from Rs 1 lakh to Rs 5 lakh, per transaction.

Consumers can now make UPI payments of up to Rs 5 lakh per transaction for the following categories: a) tax payments, b) hospital and educational services, and c) IPOs and government securities.

Two additional enhancements were previously introduced through circulars issued in December 2021 and December 2023.

NPCI has also introduced a new feature called 'UPI Circle' on its Unified Payments Interface (UPI) platform. This feature allows primary UPI account holders to securely delegate payment responsibilities to trusted secondary users.

Acquiring entities must ensure that the classification of their merchants within MCC-9311 strictly adheres to the tax payments only. Merchants shall ensure UPI as a payment mode is enabled for the increased limit for the tax payments category.

What is NPCI?

- The National Payments Corporation of India (NPCI) is an initiative taken by the Reserve Bank of India (RBI) and Indian Bank's Association (IBA) to operate the retail payments and settlement systems in India.
- This organization was founded in the year 2008 under the Payment and Settlement Systems Act, 2007.

Sol. Indian Army signs MoU with Tiranga Mountain Rescue to enhance high-altitude operations

The Indian Army has entered an understanding with the Tiranga Mountain Rescue (TMR) at the Centre for Land Warfare Studies in the Delhi Cantonment.

This understanding marks a pivotal step in advancing the Indian Army's rescue and survival operations in mountainous terrains.

The MoU stipulates that TMR will collaborate with the Indian Army in conducting customised training programs for Army instructors, aimed at improving their ability to mentor troops in avalanche rescue and survival skills.

This MoU builds on the initial agreement made with Northern Command in 2016, which established dedicated avalanche and rescue support by the TMR.

Subsequent agreements with Eastern and Central Commands in 2021 and 2024 further expanded this collaboration. The latest MoU will further utilise TMR's expertise to boost the Indian Army's capabilities in executing effective rescue operations under demanding conditions.

The Union cabinet chaired by the Prime Minister Narendra Modi has approved the mission to moon, named Chandrayaan-4 to develop and demonstrate the technologies to come back to Earth after successfully landing on the Moon and also collect moon samples and analyse them on Earth.

This Chandrayaan-4 mission will achieve the foundational technologies capabilities eventually for an Indian landing on the moon (planned by year 2040) and return safely back to Earth.

The Chandrayaan -4 mission will collect lunar samples from the moon's surface and bring them back to Earth. Only three countries—the United States of America, Russia, and China—have successfully brought lunar soil back to Earth.

ISRO has been allocated a budget of Rs 2104.06 crore for the Chandrayaan -4 mission to be completed in 36 months.

The allocated budget includes the cost of spacecraft development, two launch vehicle missions of LVM3 rockets, external deep space network support and conducting special tests for design validation etc.

The government of India approved an ambitious space programme during the Amrit Kaal. It envisages a mission to Venus, a functioning Indian Space Station named Bharatiya Antariksh Station by 2035, and an Indian landing on the surface of the Moon by 2040.

Ans. c

Sol. 19 September - International Talk Like a Pirate Day

International Talk Like a Pirate Day is observed every year on 19 September.

The day aims to bring people together in the spirit of camaraderie and shared amusement as friends, family and even strangers engage in lighthearted conversations, jokes and activities that let them loose, have a good laugh and momentarily escape the stresses of everyday life.

Talk Like a Pirate Day was born in 1995 when two friends from Oregon jokingly created the holiday while playing racquetball. They celebrated it quietly for a few years, sharing the joke with a small group of friends.

One day in 2002, they wrote to humor columnist Dave Barry asking him to be the spokesperson for National Talk Like a Pirate Day. Amused by the idea, Barry agreed. He wrote a column about the holiday, giving it national prominence and spawning a wave of Talk Like a Pirate Day events and celebrations across the country.

- (iii) 25% of the national production of pulses, oilseeds, and copra will be procured at MSP from the 2024-25 season, with 100% procurement for Tur, Urad, and Masur.**
- (iv) The PM-AASHA scheme consolidates the Minimum Support Price (MSP) and Price Stabilization Fund (PSF) into a unified program to enhance its effectiveness.**

Which of the following point(s) is/are CORRECT regarding PM-AASHA?

- (a) i only**
- (b) i & ii only**
- (c) i, ii & iii only**
- (d) ii, iii & iv only**
- (e) all are correct**

Ans. c

Sol. Cabinet approves continuation of schemes of Pradhan Mantri Annadata Aay SanraksHan Abhiyan (PM-AASHA)

The Union Cabinet has approved the continuation of the Pradhan Mantri Annadata Aay Sanrakshan Abhiyan (PM-AASHA) scheme, allocating Rs 35,000 crore for the 15th Finance Commission Cycle up to 2025-26.

This significant decision aims to ensure remunerative prices for farmers and manage price volatility of essential commodities for consumers.

The PM-AASHA scheme consolidates the Price Support Scheme (PSS) and Price Stabilization Fund (PSF) into a unified program to enhance its effectiveness.

The integrated scheme will now include the Price Support Scheme (PSS), Price Stabilization Fund (PSF), Price Deficit Payment Scheme (PDPS), and Market Intervention Scheme (MIS). These components are designed to provide better support for farmers and stabilize prices for consumers.

Starting from the 2024-25 season, the procurement of notified pulses, oilseeds, and copra at Minimum Support Price (MSP) will cover 25% of national production. This change aims to increase the amount of these crops procured at MSP, reducing the risk of distress sales. Notably, the procurement ceiling will not apply to Tur, Urad, and Masur for the 2024-25 season, as the government plans a 100% procurement of these pulses.

The government has also renewed and increased its guarantee for the procurement of pulses, oilseeds, and copra, raising it to Rs. 45,000 crore. This move is expected to enhance the Department of Agriculture and Farmers Welfare's (DA&FW) ability to buy these commodities from farmers at MSP, including those registered on the eSamridhi portal of the National Agricultural Cooperative Marketing Federation of India (NAFED) and the eSamyukti portal of the National Cooperative Consumers' Federation of India (NCCF). This initiative aims to boost domestic production, reduce import dependency, and encourage cultivation of these crops.

The extension of the Price Stabilization Fund (PSF) scheme will help mitigate extreme price fluctuations of agri-horticultural commodities. By maintaining strategic buffer stocks of pulses and onions, the PSF aims to control hoarding and speculation, ensuring that consumers have access to affordable prices. The Department of Consumer Affairs (DoCA) will manage the procurement of pulses above MSP and maintain buffer stocks to stabilize prices.

To further support farmers, the Price Deficit Payment Scheme (PDPS) coverage for notified oilseeds has been increased from 25% to 40% of state production, with an extended implementation period of four months. The scheme will compensate

farmers for the difference between MSP and the market price, with the central government covering up to 15% of MSP.

Additionally, the Market Intervention Scheme (MIS) has been extended and modified to better support farmers of perishable horticultural crops.

The coverage has been increased from 20% to 25% of production, and a new option allows for direct differential payments to farmers' accounts instead of physical procurement.

255. Consider the following points about the 'Bio-RIDE' scheme that the Union Cabinet recently approved-

- (i) Bio-RIDE scheme to foster innovation, promote bio-entrepreneurship, and strengthen India's biomanufacturing and biotechnology sectors.**

- (c) only i & ii**
- (d) only ii & iii**
- (e) all are correct**

Ans. d

Sol. Cabinet approves 'Bio-RIDE' scheme to support cutting edge research and development in Biotechnology

The Union Cabinet, chaired by the Prime Minister Narendra Modi approved continuation of the two umbrella schemes of Department of Biotechnology (DBT), merged as one scheme-'Biotechnology Research Innovation and Entrepreneurship Development (Bio- RIDE)' with a new component namely Biomanufacturing and Biofoundry.

The proposed outlay for the implementation of the unified scheme 'Bio-RIDE' is Rs.9197 crore during the 15th Finance Commission period from 2021-22 to 2025-26. Bio-RIDE scheme is designed to foster innovation, promote bio-entrepreneurship, and strengthen India's position as a global leader in biomanufacturing and

biotechnology. It aims to accelerate research, enhance product development, and bridge the gap between academic research and industrial applications.

The scheme has three broad components:

- a) Biotechnology Research and Development (R&D);
- b) Industrial & Entrepreneurship Development (I&ED)
- c) Biomanufacturing and Biofoundry

The scheme is part of the Government of India's mission to harness the potential of bio-innovation to tackle national and global challenges such as healthcare, agriculture, environmental sustainability, and clean energy. Implementation of the Bio-RIDE Scheme will -

- Promote Bio-Entrepreneurship
- Advance Innovation
- Facilitate Industry-Academia Collaboration
- Encourage Sustainable Biomanufacturing
- Support researchers through Extramural funding
- Nurturing Human Resource in Biotechnology sector

The Bio-RIDE Scheme will contribute significantly towards realizing the vision of 'Viksit Bharat 2047'.

In a historic achievement, Jordan has become the first country to eliminate leprosy, receiving official verification from the World Health Organisation (WHO).

This milestone reflects the country's commitment to eradicating a disease that has plagued humanity for centuries and signifies a major breakthrough in global public health efforts.

Jordan's journey to this remarkable achievement began many years ago with targeted public health campaigns, early detection programs, and free, accessible treatments for all citizens.

What is Leprosy?

- Leprosy, also known as Hansen's disease, is a chronic infectious disease caused by the bacterium *Mycobacterium leprae*, affecting the skin, nerves, and respiratory tract.
- Though curable, leprosy has long carried a social stigma, with those affected often ostracised and left untreated in many parts of the world. Historically, the disease was considered nearly impossible to eliminate, especially in regions with limited access to healthcare.

Sol. India signs agreements on clean and fair economy under Indo-Pacific Economic Framework

India has signed the first-of-its-kind agreements focused on a Clean Economy, Fair Economy, and the overarching Indo-Pacific Economic Framework (IPEF) in Delaware, USA.

These agreements were exchanged under the Indo-Pacific Economic Framework (IPEF) for prosperity yesterday in the presence of Prime Minister Narendra Modi, who is on a three-day visit to the US for the Quad Summit.

The Agreement on Clean Economy intends to promote technical cooperation, workforce development, capacity building, and research collaborations.

It will facilitate investments and project financing, including concessional financing, as well as joint collaborative projects, with a particular emphasis on supporting Micro, Small, and Medium Enterprises (MSMEs).

The Fair Economy Agreement seeks to create a more transparent and predictable trade and investment environment across the Indo-Pacific. Meanwhile, the overarching IPEF Agreement aims to establish a high-level political oversight framework at the ministerial level for the various individual IPEF agreements, providing general guidance and goals while aligning with leaders' vision and mandate for the IPEF.

About Indo-Pacific Economic Framework (IPEF)

- IPEF was launched on 23 May 2022 in Tokyo, Japan, comprising 14 countries – Australia, Brunei, Fiji, India, Indonesia, Japan, the Republic of Korea, Malaysia, New Zealand, Philippines, Singapore, Thailand, Vietnam, and USA.
- The IPEF seeks to strengthen economic engagement and cooperation among partner countries to advance growth and economic stability.
- The framework is structured around four pillars relating to Trade (Pillar I); Supply Chain Resilience (Pillar II); Clean Economy (Pillar III); and Fair Economy (Pillar IV).
- India has ratified Agreement on Supply Chain Resilience (Pillar II) in February 2024 and has maintained an observer status in Pillar-I.

Sol. Decentro unveils eNACH and UPI AutoPay, Streamlining Recurring Payments
Decentro, India's largest fintech infrastructure platform, has introduced eNACH & UPI AutoPay, intended to streamline and simplify the management of recurring payments for businesses.

The company hopes to assist at least 100+ enterprises with integrating these modules over the next three months, addressing some of the most difficult obstacles that businesses encounter regarding recurring payments. The first partner bank for this new module is YES Bank.

The total addressable market (TAM) for recurring payments in India is around \$800 million. However, businesses encounter several hurdles, resulting in a large time (and monetary) commitment of at least 500 man-hours to integrate and test these systems with their banking partners.

One such obstacle is the lengthy process of obtaining a utility code, which can significantly impede eNACH adoption. Furthermore, many payment gateways are unaware that lenders should use their utility codes rather than the payment gateway's code for compliance.

The Defence Research & Development Organisation (DRDO), together with researchers of Indian Institute of Technology (IIT) Delhi, has developed light weight bullet proof jackets, named ABHED (Advanced Ballistics for High Energy Defeat), which offer 360 degree protection.

These jackets have been created from polymers and indigenous boron carbide ceramic material.

The design configuration is based on characterisation of various materials at high strain rates followed by appropriate modelling and simulation in collaboration with DRDO. The armour plates for the jackets have passed all necessary R&D trials as per the protocols.

The jackets meet the highest threat levels, and are lighter than the maximum weight limits stipulated in respective General Staff Qualitative Requirement of the Indian Army. With minimum possible weight of 8.2 kgs and 9.5 kgs for different BIS Levels, these modular-design jackets having front & rear armours provide 360⁰ protection.

Sol. FRA implementation: Mankidia community becomes 6th PVTG to get habitat rights over forests in Odisha

The Mankidia community in Odisha has been granted habitat rights, making them the sixth Particularly Vulnerable Tribal Group (PVTG) to receive this recognition under the Forest Rights Act, 2006.

This important legal recognition allows the Mankidia to access and manage their traditional forest areas, which were previously limited due to their PVTG status.

The Mankidia are a semi-nomadic tribe, meaning they move around to find resources rather than staying in one place permanently. They are well-known for their skills in rope-making and have traditional practices that include trapping and eating monkeys.

Historically, the Mankidia have depended on forest resources for their livelihood and cultural practices. With this new recognition, they now have legal rights to their ancestral lands, affirming their connection to these areas.

Mankidia is the second PVTG to get the habitat rights in the state, while the district-level committees (DLCs) have approved for four other communities.

Paudi Bhuyan of Deogarh district was the first PVTG to receive habitat rights title in Odisha on March 7, 2024. Habitat rights of Paudi Bhuyan have been recognised in over 32 villages under Barkote block.

Sol. West Bengal govt to discontinue tram service in Kolkata barring one short stretch

The West Bengal government has decided to discontinue the 150-year-old tram service in Kolkata soon, barring a solitary heritage stretch from Maidan to Esplanade. Tram lovers, however, have decided to hit the streets in protest against the decision. Kolkata is the only city in the country where trams continue to operate.

Transport Minister Snehasis Chakraborty said slow-moving trams, which move along the roads creating traffic jams in peak hours, cannot be run in the present situation as commuters need faster modes of transportation.

"Trams are undoubtedly a part of Kolkata's heritage after their introduction in 1873 as horse-drawn carriages and played a crucial role in transportation in the previous century.

Heritage trams, however, will run between Maidan and Esplanade so that people can have a pleasant and environment-friendly ride, the minister said.

Sol. Global Innovation Index 2024 - India at 39th; topped by Switzerland

India's ranking in the 2024 Global Innovation Index (GII) has improved to 39, up from 40 in the last edition.

India's ranking has improved by 42 in the last nine years, from 81st in 2015 to 39 in 2024.

Switzerland maintained its position as the top-ranked country, while Angola, an African country, was at the bottom.

The Global Innovation Index has been published by the World Intellectual Property Organisation (WIPO) every year since 2007. In the 17th edition, 133 countries and the world's top 100 science and technology clusters were ranked based on innovation performance.

The countries are evaluated using around 80 indicators grouped into four parameters: science and innovation investment, technological progress, technology adoption and the socioeconomic impact of innovation.
